WOODSTOCK LIVE

Woodstock Live celebrates 18 years of bringing live music to the town square over the August Bank Holiday weekend. It has become a 'calendar' event for locals and visitors alike. Our aim is to stage an event that offers a truly eclectic mix of music...something for everyone!...in the beautiful natural amphitheatre of 12th century and later Woodstock town centre.

It's family friendly, it's fun, come and join us!

Woodstock has a unique offer of romance, history and charm. Apart from hosting many interesting events, the town boasts delightful hotels, restaurants and bars, independent and creative shops and galleries, historic churches, two museums and Blenheim Palace with its wonderful grounds, next door! Check it out whilst you are here or come back another day.

PINT CUP CHALLENGE!

Let's be sustainable, Woodstock!

Help us to take care of the planet: bring and re-use your own (non-glass) pint cup and get a **50p discount!**

Please help to keep our town tidy and use the bins provided to dispose of rubbish and re-cyclables
